## 5 Reasons to choose Bernard Telephone for your Video needs:

1. Local Service and Support: If you have support needs, you call our office and we respond. Our technicians and office staff are from the area and have built lasting relationships with many of our customers.
2. Reliable Service: With your high tech fiber-optic connection there is no worry about signal loss during storms or satellite interruptions. Your service is ready to go all day every day when you want it.
3. Local Programming: We provide you with the local news and weather channels that are important and relevant to you.
4. Installations: Our technicians take every action possible to ensure a seamless installation. They take the time to explain how our equipment works so our customers are comfortable with it before they leave. We also understand that questions arise after installation and are happy to walk you through necessary steps over the phone.
5. Community Commitment: We are your local provider and support our community throughout the year. We are here for you!

*\*Please note, video is only available to homes with our fiber optic connection.*

Pay channels are also available. To upgrade, please contact our office for pricing.

## Privacy Policy:

We at Bernard Telephone & Communications pledge to protect your privacy and keep your trust. During the application process we collect **Customer Proprietary Network Information (CPNI)** and "Non-public Personal Information".

Under Federal law you have a right and Bernard Telephone & Bernard Communications has a duty to protect the confidentiality of your CPNI. If, at any time, you would like to update your CPNI information you may do so by filling out a new CPNI form. Contact our office and we will happily send one to you or you may stop in the office and fill one out.

## Bernard Telephone Stock Availability

Occasionally Bernard Telephone has stock available for purchase. To qualify as a stock holder, you must reside within the 879 telephone exchange and subscribe to our services. If you are interested in becoming a stock holder, or purchasing more stock, please contact our office and we will keep your name on file.

Happy Valentines Day

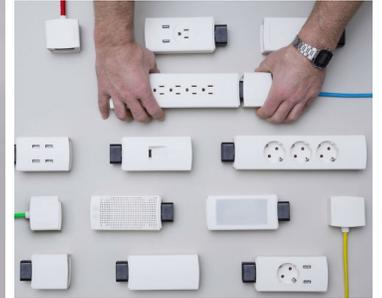

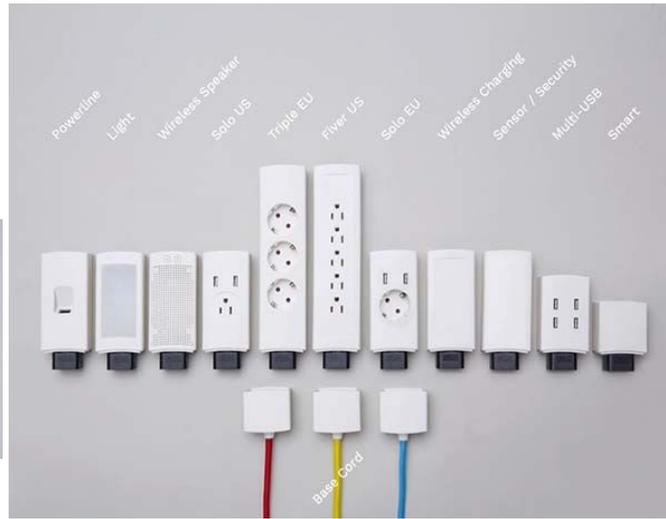

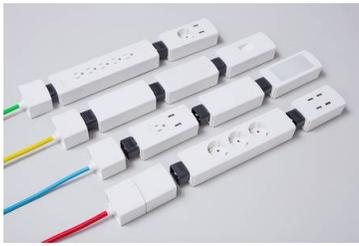

*Don't forget your Sweetie  
on February 14th.*

### YOUMO Power System

This power system gives you a whole new kind of personal power. Starting with the power module and power base cord you can then add more modules to build a system that suits your lifestyle. Available modules include: Wi-Fi, USB, wireless charging, power LAN, a light and speakers.

*Please note, this is for informational purposes only. Bernard Telephone Co. does not sell nor endorse this product but wants to make you aware of new products.*

## BLU Neo X LTE

The all new BLU NEO X LTE, the newest addition to the NEO series, with better performance in a compact and stylish form factor. A bright 5.0" IPS display showcases all the color and detail of every picture and movie on screen. Powered by a reliable MediaTek 6735 with 1.0 GHz Quad Core paired with 8GB of internal memory for all your music, video and pictures.

\$64 full retail price

**\$0 up front**

+ \$3.00 x 24/mo. If you cancel wireless service, remaining balance on phone becomes due. 0% APR on approved credit for well-qualified buyers. Qualifying service required.

+ \$10 SIM Starter Kit

\* Smartphones require adding data plan.

### **Snow Removal and Fiber Pedestals**

As a friendly reminder, please be cautious when moving snow in an area where a pedestal exists. We recognize damage is typically unintentional, however, similar to fiber cuts, any damage will be assessed and billed out to the responsible party.
