Call Before You Dig!

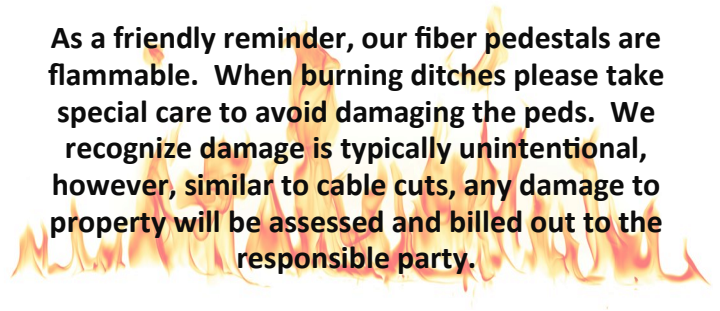

Planning on planting a tree, trenching in a field or digging a foundation, Iowa law requires everyone to locate underground utilities before digging. It's as easy as 1, 2, 3:

1. Call 1-800-292-8989, 811 or go online to www.iowaonecall.com to begin the process.
2. Wait 48 hours (excluding Saturdays, Sundays and legal holidays).
3. Begin your project.

Spring Burning?

As a friendly reminder, our fiber pedestals are flammable. When burning ditches please take special care to avoid damaging the peds. We recognize damage is typically unintentional, however, similar to cable cuts, any damage to property will be assessed and billed out to the responsible party.

EZ Payment Option

Bernard Telephone and Communications offers our customers the carefree option of making payments through ACH withdrawals. Through this program, your payment will be withdrawn on the 20th of every month. With all we have to remember in every day life, this is our way to offer you one less thing to worry about. To sign up for ACH withdrawals, download the form from our website or stop in the office for a copy.
